Migration Pathway

There's no better place to learn about migrations than DrupalCon!
Use our **Migration pathway** at DrupalCon Portland
to discover some of the learning opportunities you won't want to miss.

- [Monday, 25 April & Tuesday, 26 April](#) at 14:30 to 17:30 PT in Room B113 Hands-on Drupal Migrations training, led by Evolving Web's Dharizza Espinach. The training will guide you through the process of migrating from Drupal 7 to 9, step-by-step. You can [register for Migration training](#) when you buy your ticket to DrupalCon.
- [Wednesday, 27 April & Thursday, 28 April](#) at 14:30 to 16:30 PST in Room B114-B115 Migration Assistant; this is a brand new space solely dedicated to helping you with your migration needs. With more than one version of Drupal reaching its end-of-life, the Migration Assistant space is here to help you make the transition. There will be a strong group of Migration Mentors to help you troubleshoot, create action plans, and answer your specific migration questions.
- [Every Industry Summit](#) will have a presentation on industry-specific migration practices. If you are a higher education, healthcare, government, or non-profit professional working on migration for your organization, this is the place to be!
- [Each day](#), between all the organized sessions, the hallway at DrupalCon is guaranteed to be full of migration stories and lessons learned. In addition, you can be sure that many attendees you meet will be able to share their migration insights with you, so don't be shy!
